Smathers Agency is very proud to announce the opening of a new store in the Butler area: Siegel Title & Notary. It is located at 1109 N Main Street Ext, Butler, PA 16001. Sharon Higgins is the notary managing this new location. She comes to us with many years of experience and we are looking forward to serving the Butler area's notary and title work needs.

Our employees and their knowledgeable handling of driver and vehicle transactions keeps our quality of work rating at 99% or higher every year at audit time. We are proud of all of the services we have acquired through our hard work and excellent merits. We are able to handle many vehicle transactions such as renewals, replacements, transfers, and restorations. Along with our vehicle services we provide several drivers' license transactions; renewals, restorations, and several drivers' information changes. If we are unable to process your transaction on-line we will mail it in through our messenger service to expedite your transaction being processed at PennDOT.

Smathers Agency would like to take the time to remind our customers that with the tragedy of September 11th, 2001, the Commonwealth of Pennsylvania has enacted more stringent regulations on identification. Please remember that a photo ID is required for all transactions and this is for your own safety and protection. We would like to thank all of our loyal customers for supporting the agency.
